

Archery For Fun New Year's Session

Archery for Fun is a new class focusing on Safety, Technique and Archery Games. The first day of the class will be used to instill safety as the first concern in archery and good technique and if time allows, ending with a fun game. The following days will begin with a quick review of safety and technique to remind everyone how important it is to follow safety rules and good form to have a good and memorable time with bows and arrows. This class is excellent for those who have taken the beginners class and like archery but haven't decided what they want to do with their new skills yet. The sessions will run for 4 consecutive weeks.

This class is very different from previous classes due to the emphasis on archery games and the fun aspect of competition versus the technical aspect. With that in mind, the students will still learn basic good form step by step so that they can feel confident and successful about playing the games.

There will be a Monday session beginning: January 12 - February 4

Time: 5:30 - 6:30pm

Cost: \$100

Location: Screaming Eagle Archery of Alaska

All equipment will be provided if you do not have your own.

Classes are limited to 15 students.
