

New Year's Beginners Archery Class

We are offering a 4 week beginners archery class (1 hour per week) at the cost of \$100 per student. These classes are perfect for anyone who has never shot a bow before or are just getting started. All beginning classes will be taught on the Genesis bow (no exceptions) which I shall provide for each student. This allows the student to concentrate on learning basic form and shot sequence without the distraction of accessories and major bow set ups. These classes are suitable for people between the ages of 6 and 100 years. Beginning classes are limited to 8 students to allow for optimum time with each student.

The Monday session will begin: January 14 - February 4
Time: 4:30pm - 5:30pm

The Wednesday session will begin: January 16 - February 6
Time: 11am- 12pm

Beginning classes focus on range and equipment safety, basic shot sequence steps, learning parts of the bow and range etiquette. Parents are always welcome to stay and watch or sign up and take the class with their children.
